NEW TO THE INGRAM 401(K) PLAN – ONTARGETSM –
a professional account management service to help you ignite
your 401(k) potential!

HERE BE DRAGONS

During Medieval times, mapmakers marked distant and unexplored lands with the phrase “*Here be dragons.*” These days, navigating your 401(k) plan can often feel like uncharted territory. OnTarget can help to put your retirement course in the right direction and help you make progress toward your goals.

ONTARGET CAN HELP:

- ✦ **GET ON TRACK.** Give you a personalized investment portfolio that matches your unique needs.
- ✦ **STAY ON TRACK.** Monitor and adjust your account as your needs change over time, (including helping you save more by automatically increasing your contributions annually).
- ✦ **GAIN PEACE OF MIND.** Managed by independent financial professionals for a fee at Morningstar Investment Management, LLC.
